Triple E Recreational Vehicles meet or surpass CSA-CRVA-RVIA standards covering electrical services, gas services, plumbing services and vehicular safety. Embassy Motorhomes exceed 96" in width. In some states, 96" is the maximum width of vehicles travelling some or all state roads. It is the responsibility of the owner to be familiar with the road usage laws of the states in which you travel. Product improvement is a continuing process at Triple E Recreational Vehicles. Thus, we reserve the right to change specifications on any or all products without prior notice; errors and omissions excepted. Triple E Recreational Vehicles is under no obligation to undertake modification to units manufactured prior to changes on specifications. Brochure pictures may be shown with optional equipment. Colours may not be exactly as shown due to the printing process. Please see your dealer for specific colours.
