

Into the Great Wide Open

All photos on this page are Regency GT28DB in Metropolitan Décor

The elegant dining area is bathed in natural light. The centerpiece of the wrap-around booth dinette is the round drop leaf table. The dinette has roll-out drawers for convenient storage and 5-inch laminated cushions. The cherry finished cabinets with raised solid cabinet doors and cabinet ends are a new feature for 2009.

Remove the pedestal-based table and voila, your versatile dinette booth transforms into a sofa to create a comfortable daytime living area.

At your service day or night! The booth dinette can be reconfigured to a bed at night to accommodate any extra guests.

Comfortable, stylish and reliable, the 2009 Regency GT is the perfect vehicle to take in everything Mother Nature has to offer. It's grandly appointed in the fashion of larger coaches, but its maneuverability means it gets into the coziest campsite. And if you need more power to tow your toys along, the optional Ford E-450 6.0L Powerstroke diesel engine will take care of business. No matter how far out of the way you want to go, the 2009 Regency GT will take you in style.
